## AVI-SPL to Exhibit at FOSE 2010

**TAMPA, Fla. Mar. 18, 2010** – AVI-SPL, the largest global integrator of audiovisual systems and services, today announced it will exhibit at FOSE (Federal Office Systems Exposition) 2010, which will be held March 23-25 at the Walter E. Washington Convention Center, Washington, D.C.

Exhibiting at Booth 2913, AVI-SPL will showcase a variety of audiovisual systems including the newest videoconferencing products from LifeSize and digital media solutions from Crestron Electronics.

“FOSE is the largest and longest-running government technology event in the U.S.,” said Tom Corzine, AVI-SPL’s vice president, government services. “This conference is a great opportunity for our company to discuss new technologies available to our current and future customers.”

According to the event web site, FOSE draws more than 10,000 senior-level IT decision makers from local, state and federal government branches.
